### Search and Navigation.

You can search our online catalog using the **Search** box at the top of the page or by navigating the Applications categories on the right side of the page.

- 1. To Search the online ordering catalog, enter the search term(s) in the Search field. You can search by product name, product type, or catalog number.
- 2. The search results can be further filtered using the Product categories and Application filters. The search results allow you to see additional details about the product by clicking on the product name.
- 3. You can access additional product information from the results by selecting **See Price and size** or **Specifications** to find protocols or manuals for the product.
- 4. You can also add the products to your cart from the search results by clicking on **Add to cart**.

### Quick Order.

The Quick Order page allows you to add products to the cart when you already have the catalog number. Click the **Quick Order** button at the top of the page to access this function.

- 1. Items can be added to the cart using the **Manual Entry, Bulk Upload** template, or Copy & Paste options.
- i. Manual entry allows you to add individual catalog numbers to the Quick Order table.
  - \* TaqMan<sup>™</sup> Assay products also require an ID.
- ii. The Bulk upload link allows you to download an Excel® template, edit the file, and upload the catalog numbers.
- iii. The Copy & paste link allows you to add up to 350 catalog numbers to the Quick Order table. The products can be separated by a comma or return. Separate the catalog numbers from the IDs with a single space. Once the catalog numbers are entered, click **Add to cart**.

## Add to Cart.

- 1. You can add products to your cart with the **Add to cart** button directly from the Search results or from the detail description page.
- 2.Once the products have been added to your cart, the mini cart will open to show you the product has been added. The **Cart** button in the top navigation will also indicate the number of products in your cart.
- 3. Hover over the **Cart** button with your mouse, and a view of your cart will drop down.
- 4. Clicking on the **View Cart & Checkout** button will allow you to open the cart to process the order and see customer-specific pricing.

### Cart.

- 1. Clicking View Cart from the mini-cart will take you to your cart.
- 2. Frequently ordered items can be added to Favorites from the cart by using the Select check box and then clicking add to favorites.
- 3. When the quantity is changed in the QTY field the Update Cart button will appear and can be used to refresh the cart.

### Quotes and Promotions.

- 1. Quotes and promotions can be applied in the cart using the Enter quote or promotion box above Cart Summary. Click the Apply button to apply the quote or promotion and see updated pricing.
- 2. To complete your order, click Begin Checkout. This link opens the Checkout page.

### Supply Center Home Page Navigation.

#### 1. Supply Center menu option

- Supply Center Home returns to the Supply Center home page. Clicking the Supply Center logo in the top left navigation also takes you back to the Supply Center home page.
- 2. **Info and Contact buttons**—see information related to the Supply Center and contact your Supply Center Representative.
- 3. Stocked items list:
  - View product details by clicking the product name
- Search search stocked items using Search Stock List. Search for items that fall into a specific research category using the Show Category drop-down menu.
- 5. **Frequently Ordered** tab populates with the items you order often for faster reordering.
- 6. **Recommended Products** provides product suggestions to complement your purchase history if applicable.
- 7. **The Top Navigation Search** box brings back search results from the entire Thermo Fisher Scientific life sciences online catalog.
- 8. **The Order Non-stocked Items** provides non-stocked shipping selections (varies by Supply Center).
